Essential Differences: Clergy Letter Project vs. Biblical Christianity
The Scientific Implications

The Clergy Letter Project “Evolution”	Historic Biblical Christianity	
LIFE		
<p>Humans sprang up from the “mud” without a “Creator” through “long periods of time”. A series of “random accidents” placed all complex life forms and planets and galaxies in their exact spots. There is no reason for us being here since it is “random chance” with no causative force “creating life” - except death. All matter and life is progressing toward “death” without purpose. Life is meaningless since no matter what happens to our environment, and us, death is the force driving this process.</p>	<p>We are “man” created in God’s image. We were placed here by GOD in a CREATED ORDERLY WORLD REFLECTING HIS INFINITE INTELLIGENCE! We are placed here to worship Him, and care for His CREATED WORLD. We are living in a disrupted CREATION, caused by our own REBELLION and have a choice as to our final place of residence: HEAVEN or HELL. GOD WILL, IN THE END, CLEAN UP THIS FALLEN WORLD. (Genesis 1:1-3:24, 2 Peter 3:10)</p>	
THE BIBLE		
<p>“Science and the Bible do not have any relationship and do not line up. Science says time, random chance, and death have created life and its environment. There are many intelligent theologians and scholars who do not view the Bible as a source of scientific information. A person must not attempt to look for scientific truths in an ancient book that may or may not have any relevance to our lives or our physical environment. The Bible is outdated, is written with strange combinations of words, and cannot be useful for studying the field of science.”</p>	<p>An ancient historical document written in Greek and Hebrew, two of the oldest and most complex languages of the world. It contains messages that can only be revealed through study and “fear” of the Author. It explains life’s most important questions: WHO WE ARE / HOW WE GOT HERE / WHY WE ARE HERE / WHERE WE ARE GOING / WHAT IS TO COME It answers man’s greatest need, “Salvation.” The Word of God is without error. All Scripture is “God – Breathed.” God’s Word is eternal. (Matthew 24:35 - 2 Timothy 3:16)</p>	
<i>Science of Satan</i>	THE TREE OF LIFE	<i>Science of GOD!</i>
 <p>1837 Darwin’s notes for the “evolutionary tree of life” A theory that became another gospel for the Godless, pantheistic, humanistic rebellion of mankind - the Serpent of old is the root, the “god of Evolution” (Genesis 3:1-5) <small>American Museum of Natural History</small></p>	<p>“Then the LORD God said, `Behold, the man has become like one of Us, knowing good and evil; and now, lest he stretch out his hand, and take also from the tree of life, and eat, and live forever’-- therefore the LORD God sent him out from the garden of Eden, to cultivate the <u>ground from which he was taken</u>. So He drove the man out; and at the east of the garden of Eden He stationed the cherubim, and the flaming sword which turned every direction, to guard the way to the tree of life. (Genesis 3:22-24, Revelation 22:14)</p>	

“Science and the Bible be are compatible when you take away evolution and worship the Creator”
