Essential Differences Between The Unification Church & Biblical Christianity

Unification Church

Biblical Christianity

GOD

God is both male and female, and positive and negative. The Unification god is dualistic. *(Similar to the meaning of the symbol of Taoism)*

“The Holy Trinity” One God in three persons - the Father, the Son, and the Holy Spirit. (Matt. 28:19-20)

JESUS

Not God! Jesus failed to accomplish his mission that God sent Him to complete.

God the Son. Second Person of the Trinity. (John 1:1, 14)

The Holy Spirit

The female nature of God Who became the spiritual bride of Jesus. Spiritualism replaces the Holy Spirit.

God the Holy Spirit. Third Person of the Trinity. (Acts 5:3-4)

The Bible

Scripture is essentially replaced by Moon’s writings such as “The Divine Principle.”

The Word of God without error. All Scripture “God - Breathed” (2 Timothy 3:16)

Salvation

Involves works! Moon teaches that man’s destiny is to be married and have a perfect family. This will ultimately bring salvation.

By Grace through faith alone in the Lord Jesus Christ. (Ephesians 2:8-9)

Resurrection

Does not mean that dead bodies will rise again. They deny the bodily resurrection of Christ.

We believe in the deity of Jesus Christ: His substitutionary death, His bodily resurrection, His ascension to Heaven ...

Second Coming of Jesus Christ

Fulfilled by Moon after Jesus failed.

... and His personal coming again. (John 1:1-14; I John 3:5, I Cor. 15:3; I Thess. 4:13-18)

Heaven & Earth

There are three main categories in the spirit world divided into nine levels. Each world religion has its own compartment.

The resurrection of the body; the eternal glorified state of believers in Heaven ... There will be a new heaven and a new earth. (2 Peter 3:13)

Hell

Hell has no place in Unification theology.

Eternal punishment for all who reject Christ. (John 5:28-29; John 3:31)
