

Rick still performs concerts, holds speaking engagements, seminars etc. He is currently working on a new album.

Construction of a brand new recording studio with control room and booth has been completed. Recording sessions are now up and running.

We believe that God's Word is true and music is spiritual. It is our goal at Humbleheart Studio Productions to encourage quality music and lyrics that bring honor and glory to the Lord. It is our hope that we may serve the Church, Missionaries, Ministries and Christian artists primarily.

Along with his service in Humbleheart Ministries Rick is also an ordained Minister of the Gospel and Pastor of the Community Church of Cutting – Clymer, NY. It's about 20 minutes from the ministry.

Personal note from Rick...

So much has changed during the past eighteen years of ministry and the mission field that I need to pause now and then to remember what it was like in the beginning. More importantly, I am reminded how the Lord has made "all" things possible. Truly, as it is said, "It's not what we do but what we allow the Lord to do through us."

Becoming a Pastor has blessed me in many ways. While working in the mission field as an evangelist I've often wondered what the Church, especially the Pastor and Elders were expecting from me when I came to minister. Now I know! I've also learned a different kind of love that comes with the position. One of the greatest things I have found that I really needed is the discipline. God has made it possible for me to be able to operate Humbleheart Ministries and also be a Pastor.

All contributions Humbleheart Ministries receives are from concerts, speaking engagements, albums, a few churches and individuals. The Lord has provided what we've needed and we trust He will continue to do so. Though details of our lives and ministries may change slightly through the years, the message remains the same. We need Jesus Christ and must reach the lost and teach the found.

President & Senior Evangelist Rick Maas

Rick found Jesus Christ as Savior while working on a Church steeple in 1987. Having been raised under the influence of the Jehovah's Witnesses, Rick falsely believed that everyone but faithful "Witnesses" would be destroyed and that only the Watchtower Bible & Tract Society held the key to the truth. He now finds that very sad because he knows that Jesus Christ is the key, and Jesus Christ is the Way, the Truth, and the Life for all who call upon His name for Salvation.

2008 we will be celebrating eighteen years since the ministry was founded. Below is our mission statement.

OUR MISSION & MINISTRY

We are an extended outreach of the Christian church seeking to reach the lost, especially those ensnared by false teaching and non-Christian cults. We inform and encourage Christians to protect their families and friends from cults that try to mimic Biblical Christianity. Our primary focus is "Cult Research, Evangelism, and Christian Apologetics."

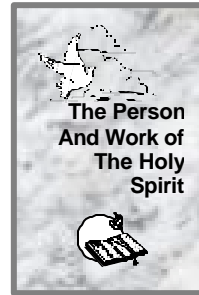

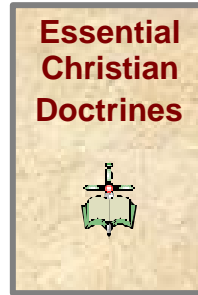

Officially we are a "Charitable Religious Teaching Organization." We hope to refresh or revive the foundational doctrines of our Christian faith, those doctrines essential for salvation. We encourage believers to fulfill their ministry, and to faithfully practice, without compromise, sound Biblical doctrine.

We minister through music, teaching, writing, workshops, concerts & albums. We publish tracts and on occasion a newsletter called, "The Humbleheart Messenger." Our ministry maintains a research library and provides Biblical counseling for people affected by cults.

Weekly Bible Studies and the fellowship of believers build solid Bible teaching Churches

Some of our studies include...

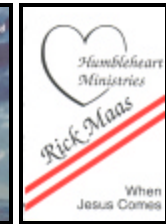

"Essential Christian Doctrines" focuses on those doctrines that are essential for Salvation. They are the foundational teachings of the Christian Faith. It is used often for new converts or new church membership classes. "The Person And Work of The Holy Spirit" is an in depth study of the person and work of the Holy Spirit in the Old Testament, New Testament and the church today. They are used for Bible study groups or Sunday school classes each covering approximately 12 weeks.

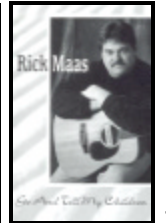

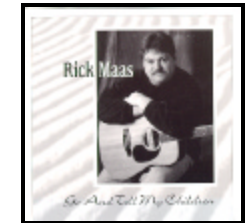

This is another 12-week study that surveys the teachings of some of the major non-Christian cult groups in our country and around the world. It compares them with the teachings of true historic "Biblical" Christianity.
