

HUMBLEHEART MINISTRIES

MISSION STATEMENT

We are an extended outreach of the Christian church seeking to reach the lost, especially those ensnared by false teaching and non-Christian cults. We inform and encourage Christians to protect their families and friends from cults that try to mimic Biblical Christianity. Our primary focus is "Cult Research, Evangelism, and Christian Apologetics."

Officially we are a "*Charitable Religious Teaching Organization.*" We hope to refresh or revive the foundational doctrines of our Christian faith, those doctrines essential for salvation. We encourage believers to fulfill their ministry, and to faithfully practice, without compromise, sound Biblical doctrine.

We minister through music, teaching, writing, workshops, concerts & albums. We publish tracts and on occasion a newsletter called, "*The Humbleheart Messenger.*" Our ministry maintains a research library and provides Biblical counseling for people affected by cults.
